VeloCity Atlanta 2019

VeloCity brought cyclists and the community together to support one of our city’s most important institutions — Grady Hospital. Grady Hospital is there for all of us — and participating in VeloCity is a way we can all be there for Grady! 1st Choice Credit Union was a proud sponsor of the 2nd annual VeloCity fundraiser held Saturday, May 4, 2019. Other sponsors included Hennessy, Chick-fil-a, Delta Air Lines, The Atlanta Journal-Constitution, Georgia-Pacific and Waffle House just to name a few. The ride ended with a celebratory party at the Mercedes Benz Stadium with food, drinks, vendors and music. It was an honor to be a part of this beneficial event.

The funding raised by participants of VeloCity goes directly to support:

- The Marcus Trauma Center, North Georgia’s only nationally-verified, Level I Trauma Center
- Atlanta’s only nationally-accredited burn center, one of only two in the state
- The Marcus Stroke and Neuroscience Center, which is internationally recognized for setting new standards of lifesaving care
- A neonatal intensive care unit that is relied upon by over 40 Georgia counties to save the youngest lives
- One of the nation’s largest and most comprehensive treatment and research centers for HIV/AIDS
- The Correll Cardiac Center and Georgia’s first Cancer Center of Excellence
- The world’s first 24/7 sickle cell center
- Training for the next generation of doctors – one of four doctors practicing in Georgia did at least part of their training at Grady
